

Did You See Our Cartoon Map?

JRBC enlisted professional artist Jim Hunt to create a fun, whimsical cartoon map of the JRBC region. The committee will be offering merchandise and doing some super fun things within the communities with the map. (Did you see the coloring placemats at the local restaurants?). Keep your eyes open to see what happens with the map next!

**INTRODUCING THE JRBC TIMEBANK!!**

The JRBC Timebank has launched! The timebank is a network of requests and offers that allow neighbors to offer their abilities and talents in exchange for time credits that can then be redeemed for other neighbors time and talents. It's essentially a banking system with no money or guarantees that create a platform for neighbors and community members to help each other. In the timebank, EVERYONE has something to offer and everyone's time is EQUAL regardless of your skills. Visit our website to learn more!

**WHAT IS THE JUNIATA RIVER BLUEPRINT COMMUNITIES (JRBC)?!?**

JRBC is an open group of community members and volunteers that work together to improve the communities of Mount Union, Mapleton, and Shirley Township. The committee meets monthly with both in-person and zoom options. We share ideas about the communities that we serve and act as a catalyst to spark projects and implement new ideas within our communities. We would love for community members and those with an interest to join us! All are welcome to be part of JRBC!!
